Teaching in English (L95)

16 August - 20 August 2021 (1 week)

Introduction to the course

Are you going to be teaching in English in the near future? Then this intensive Teaching in English course is just the course for you. You will reflect on your approach to English-medium teaching, discuss your experiences with others and practise teaching in English and receive feedback on your performances. In this course, you will also explore the dynamics of the international classroom and work on your English language development.

In the unfortunate event we cannot offer the course on location, a [virtual classroom setting](#) will be available for language courses.

Daily schedule (tentative)

09.30 - 12.30 class

13.30 - 16.30 class

Day-to-day programme

Approach

We offer an interactive approach consisting of a wide variety of language activities such as quizzes, interviews, matching exercises and role plays. A relaxed atmosphere will be created in which participants can share their knowledge with and learn from the trainer as well as from other participants.

Course materials

Course materials are included in the course fee and will be handed out during the first lesson.

Language of instruction

Certificate

You will receive a certificate if you attended at least 80% of the sessions.

Placement test

You are required to do a [placement test](#) developed by Babel. This test consists of two parts: multiple choice and writing. A teacher will assess your language skills.

Online English Preparation Course

Over the past years, we have noticed that participants with a high level of English proficiency are more successful during their summer programmes. The better your English the more you can enjoy the experience. Babel Language Institute has created an online course especially for the students of the Utrecht Summer School. Improve your general English whenever it suits you. For more information, check [the website](#).

Online social programme

Utrecht Summer School not only offers you a fine selection of interesting courses in all kinds of disciplines, it also aims at giving the participants an unforgettable stay. Therefore we offer all students an attractive social programme, including excursions, outdoor activities and social gatherings in July and August. Check [the website](#) for more information.
