

The Golden Age of Dutch Art

Utrecht Summerschool

21 July – 1 August 2025

Course Director: Anna Koldewey MA

Day-to-day programme

This course includes lectures in the classroom, independent literature study as well as on-site excursions. You will be asked to participate in class as well as during the excursions: to ask relevant art historical questions and discuss artworks and their meaning, together in class or as group or individual short presentations. You will receive more information and a more detailed schedule (including departure times for the excursions and planning and subjects of the presentations) at the first day of the course.

With each lecture you will receive some literature, which helps you to remember what is taught in class, and to prepare for the final exam. The programme includes lunch breaks as well as time for self-study and preparation time for your presentations.

All the lectures will take place at Drift 25, Classroom 003.
