1. Some Practical Issues

For those with student housing

09:00 – 09:30

Room 207

- Please hand in your key to Jelle or Wanda now.
- Remember to sign the register after returning the key.
- Are you returning the key for a colleague who has already left? Then do not forget!

A vertical collage of images. The central element is a large, vibrant green leaf with a prominent vein pattern. To the right of the leaf, a young boy with dark hair, wearing a blue and red plaid shirt, is looking down at a notebook he is holding. Behind him, a woman with dark hair is smiling. To the left of the leaf, a person wearing a red and blue plaid shirt is visible, holding a white object. Below the leaf, a person in a blue shirt and dark pants is walking. At the bottom, a person in a grey shirt is visible, standing near some green grass. The entire collage is set against a light green background.

Join your mentor group one more time 10:00 - 11:00

10:00 - 10:20 Room 207

- We check out today's programme and walk to the Botanical Gardens together.
- Find your mentor group peers somewhere and a nice place to reflect.

10:20 - 11:30

- Now brainstorm together and prepare a short presentation:
